

Week 14 - CS 442 Group 4 : Weekly Activity and Progress Report

Group Members: Apoorv Lodhi, Niyati Malik, Ragini Kalvade, Ryder Douglas

Weekly In-Person Review Meeting

- When: Nov 26, 12– 12:30 PM at UIC Library
- Missing (why) : N/A
- Late (why) : N/A

Recent Progress

- **Apoorv:** Generated cUrls for FE integration.
- **Niyati:** Added more questions for the quiz, with the mathematical component.
- **Ragini:** Information centre component completed
- **Ryder:** Simulation component, UI cleanup, presentation prep.

Outcome:

Release 3 features are completed. Minesweeper Game is completed. Chatbot and information centre component completed. The final aspects of the project are ready for release 3.

Current Action Items (Work In Progress)

We will be implementing the following aspects of the project -

- Apoorv: Contracts given to FE for integration. After that I will start working on testing the functionality. Finalising the feature for Release 3
- Niyati: Working on the overall enhancement of the game, finalising features for the final release.
- Ragini: Slides and report compilation.
- Ryder: Presentation prep.
